

COVID-19 PROTOCOL

FS EASTER 2021

ENTERING HUNGARY AND THE VENUE OF FS EASTER

1. Based on the current border crossing regulations, **foreign team members and officials** are allowed to enter the premises of Hungary with an **official invitation letter** provided by the organisers and a **negative SARS-CoV-2 PCR test result** issued up to 72 hours before entering the country.
2. As a replacement of the negative SARS-CoV-2 PCR test, **immunity certificates** are accepted **only** in case of the countries of origin listed on the website of Ministry for Foreign Affairs of Hungary. Samples of the valid certificates are also provided on this site:
[HTTPS://KORMANY.HU/KULGAZDASAGI-ES-KULUGYMINISZTERIUM/VEDETTSEGI-IGAZOLASOK](https://kormany.hu/kulgaszdasagi-es-kulugyminiszterium/vedettsegi-igazolások)
3. To provide a safe environment during the competition, the above-mentioned documents are required to be shown by all team members and officials during registration. **The organisers of FS Easter reserve the right to decline the attendance of participants without a valid test result / immunity certificate.**
4. In case of **Hungarian teams and officials**, immunity certificates will be checked at the entrance – any form that confirms at least one dose of vaccination or proving immunity will be accepted. Participants without a valid confirmation document will be required to bring a **negative rapid antigen test result** issued up to 48 hours before attendance in order to enter the premises of Hungaroring.
5. **Foreign team members** are also advised to have a valid the EU Health Insurance Card / Travel Insurance to be entitled for emergency medical care in Hungary.

TESTING OPPORTUNITIES

1. Please note that SARS-CoV-2 PCR testing will not be provided by the organisers nor the venue of the event. The **closest testing opportunity** is located 10 kms from the event site:

WHITELAB – Bossányi Krisztina Str. 2, Gödöllő // GPS: [47.6076613,19.3371457](https://www.whitelab.hu)

2. The official test **results could take up to 24 hours** to provide by Whitelab, therefore we suggest to book an appointment in advance in case you need to be tested to return to your home country. For further information about the testing process, locations and booking, check the Whitelab website (available in English as well): [HTTPS://WHITELAB.HU](https://whitelab.hu)

COVID POLICY AT THE EVENT

1. The event site is arranged in consideration of separating teams properly in the pits as well as ruling out high-density areas. During the Dynamic Events only **one team** will be allowed to stay **on the racetrack**.
2. At arrival **one team** will be able to **register** at once to avoid crowds. We're working on making the entering process as quick and smooth as possible despite the extra safety protocols. *Please keep the necessary distance from others when queuing!*
3. Team Briefings and any other programs that would require gathering will be **broadcasted online** at the event site.
4. **Wearing a mask** will be mandatory for everyone when visiting indoor common areas – restaurant and lavatories. *Attendees without a valid immunity certificate will be allowed to eat at the outdoor seating area of the restaurant.* Hungarian teams and officials *with an antigen test result only will be asked to wear masks at all times when entering common places* (Event Control, Volunteer Room, etc.). Extra masks will be available at the Event Control for participants in need.
5. **Disinfection points** are located at the event site and the lavatory areas equipped with virucidal disinfectants. *Please use them frequently!*

6. In case you feel unwell or experience even light symptoms of Covid-19 (chills, sore throat, headache, etc.) please turn to the **Rescue Team** immediately to get medical assistance.
7. If you have any questions or difficulties related to the local Covid-19 regulations, contact the appointed **FS Easter Covid-19 responsible**:
