Scoring

- Acceleration
 - The same rules and point system calculation apply as in the FS East 2023 main competition
- Carless acceleration
 - In this event each team attends with one person and based on their performance points will be distributed by places: 25-18-15-12-10-8-6-4-2-1
- Skid pad
 - The same rules and point system calculation apply as in the FS East 2023 main competition
- Autocross
 - The same rules and point system calculation apply as in the FS East 2023 main competition. One difference is that each team car attends with any number of drivers as long as it fits the event time cap
- Endurance
 - The same rules and point system calculation apply as in the FS East 2023 main competition. Only one difference at the point calculation:
Only the best (x) lap average time counts where (x) = (car's first competition year) - 2000
Taken cones will be counted before the average calculation for the whole run

Scoring

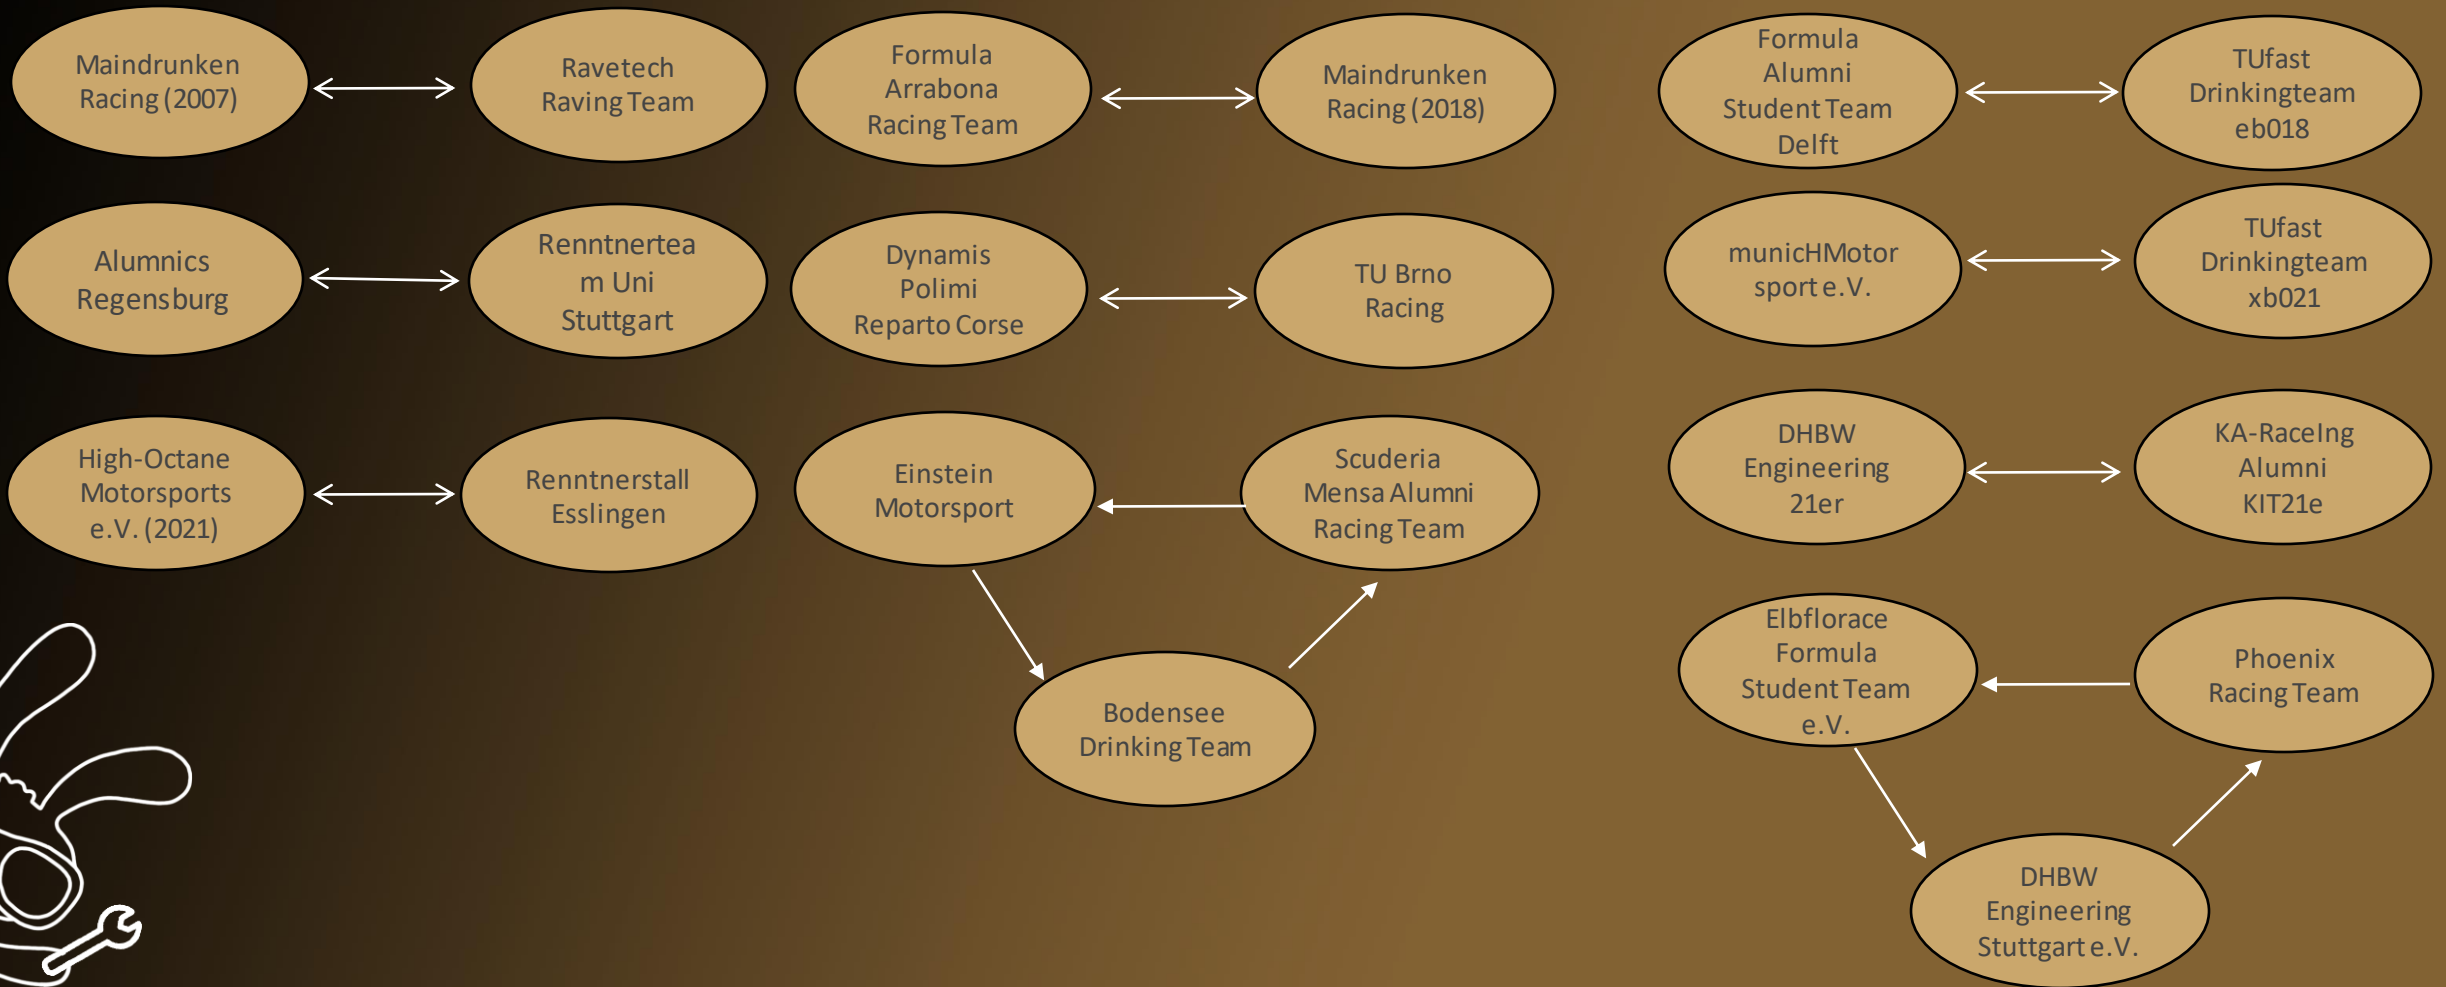

- Endurance Plus
 - The fastest endurance time (incl. Taken cones) will be rewarded with 50 points
- Fix bonus
 - The bonus of 1000 points will be given if the car finishes (car's first competition year – 2000) laps
- Drift event
 - In this special event will be challenges on a slippery surface where depending on the team's performance maximum 100 points can be reached
- Cooking competition
 - This event measures the engagement of the alumni teams. They will be randomly selected for different days where they will get supplies and a budget. The meal needs to be delivered to the days volunteer group at the end of the day. There's a maximum of 100 points for the discipline which will be distributed by the officials at the end of the event based on different factors.
- Flunky Ball
 - No explanation needed, points: 25-15-10-10-5-5-5-5, schedule below
